

Surface cleaning nozzle

Orbimaster 500

Orbimaster combines the powerful force of a round jet with the area cleaning achieved with a flat jet. The Orbimaster can be fitted to lances, guns and robots with approved high-pressure screw fittings.

Special features

- High surface coverage thanks to orbital movement of water jet
- Low weight
- Suitable for hot water operation up to 98 °C
- Rotor and seat from cemented carbide, housing from high-strength steel
- Straightforward operation
- Self-rotating
- Rotor is easy to replace

Technical data

Operating pressure	max.	500 bar
Medium temperature	max.	+98 °C
Weight	approx.	0.70 kg
High-pressure connection		9/16"-18 UNF-LH

Accessories

Designation	Material number
Connection adapter for guns with G 3/8" (e.g. HP 750)*	9.743-766.0
Special tool for replacing the rotor seat	6.025-233.0

*Sealing ring 9.881-592.0 must be ordered separately
